Nut Allergy/ Healthy Breaks

In the interests of Health & Safety we ask our parents/ carers/ pupils not to allow any break/lunch items that may contain nuts.

We do have children in the school who have a nut allergy and as you may be aware if there are any foods with nuts at all, this may prove very serious for them. Therefore any food item which has a chocolate trace to it is unacceptable as there can often be nut traces contained therein.

Children should only bring a healthy break to school eg. Sandwich, pancake, cheese strings, fruit, yoghurt, plain biscuit etc. No crisps/chocolate bars allowed as we are a Healthy Eating School. Snack should be minimal, simple and quick to eat as we want our pupils to enjoy ample play time.

We really appreciate your cooperation and support in this matter.

Once a Week - Take a Peek

- Reminder to all parents to tie long hair back every day in plaits or ponytails.
- Check once a week or at the weekend for signs of head lice.

Assemblies/Events

Unfortunately we are still unable to invite parents to class assemblies/events at the moment but as soon as it is safe to do so we certainly look forward to welcoming you all back.

Updating our School Records

As I am sure you will appreciate, it is vitally important that we hold accurate records, contact numbers and details of any health/medical issues about all our pupils in the event of an emergency. Thank you to those who have sent back the "Data Capture Form" to date. Even if there are no changes to be made please send the form back with a signature to verify.

Sometimes parents do not receive text messages and this can be because parents mobile numbers may have been changed. If your mobile phone number, address or any of your contact details have changed please let us know immediately.

Administration of Medicine

If your child has specific needs e.g., reading glasses, inhalers etc., please inform the class teacher. The school will only hold and administer medication for children with very specific medical needs e.g. Auto-Injector Pens for those at risk from anaphylaxis, inhalers for asthma and hypo kits for diabetes. Over the counter medication/throat lozenges etc. **will not** be administered. Only up to date prescriptions with name and dosage on the label will be accommodated in school following an induction procedure involving written permission. Contact office for details.

Please ensure asthma inhalers are sent into school to be kept in child's classroom.

Halloween Disco

Our annual Fancy Dress will be held on October. Pupils treats for class Halloween and Disco and parade Tuesday 26th may bring in skelebrations. A donation of £2 is kindly requested for Head Injury Support (Newry Branch).

After School Clubs Term 1

In addition to our Wraparound Clubs, Burns Skills School have begun their after school sports programme for P1-P7. Soccer is on a Monday and Hip-Hop Dance is on a Thursday. Both are running for nine weeks. Pupils attending to wear their PE uniform.

We are delighted to be able to offer a STEM Coding Club this term for P4 - P7 pupils. A local provider (Glow Group) are facilitating the 8 week programme which are fully immersive and engaging with lots of problem solving.

School Dinners

Children may bring their own lunch or they may have a school dinner prepared by our expert kitchen staff.

The cost of school dinner this year will be £ 2.60 per day. For any child who is entitled to Free School Meals ... parents should apply to the Education Authority (EA), Armagh. Phone 02837512200. If you haven't applied or your

application has not yet been processed please ring EA immediately.

The Education Authority has advised us that it should be noted that if you have not applied for Free School Meals yet the application if approved will NOT be backdated. If your child's application has not been approved yet parents can either send a packed lunch or alternatively pay for school dinner until the application has been approved

School Lunches

As mentioned earlier we are a "Healthy Eating School" and in keeping with our Food in Schools Policy we would ask you to provide a healthy break for your child and a healthy lunchbox.

Friday is the **only** day designated for a small treat (crisps, small bar) and **only** for children who take a packed lunch on this day. Children taking diners get a small treat in the form of cookies/ice-cream as part of their nutritionally balanced meal.

School Council 21-22

Here is our wonderful School Council for 2021/22.

Each pupil from P4-P7 is a member of their class council and they have regular opportunities to raise issues with their elected representatives to bring at whole school council level. This year they will be deliberating/instigating canteen & playground codes of conduct and our school house system. A busy year ahead.

School Rules and Guides to making school life a happy experience for everyone!

Our whole school Code of Conduct consists of the following principles:

- **We are gentle. We Don't Hurt Others**
- **We are kind and helpful**
- **We listen. We Don't Interupt.**
- **We are honest. We Tell the Truth.**
- **We work hard. We Don't Waste or Own or Other People's Time**
- **We look after property. We Don't Waste or Damage Things.**

Music

Thankfully we are able to re-introduce music back into our curriculum under the direction of our music coordinator Mrs Garvey. The school has purchased a highly recommended digital music scheme called Charanga and all classes will be using this to enhance class based music lessons.

The school have also continued in partnership with EA Music Service and are privileged to have Mr B. Murphy as our tutor once again. He will be tutoring P4&5 in learning the recorder; P6 using i-pad technology and new for this year is 'Garageband' with P7 where the whole class have been given individual clarinets to practice on. Mrs Garvey will once again take whole school singing with P4-P7 and Miss Niamh will be teaching tin whistle to P6/7 pupils.

We have decided not to participate in Peace Proms this year with the focus being music within school this year but rest assured we will return in the near future.

Spanish

Ola! Buenos Dias. Coma esta!

Delighted to have Miss Patricia return for Spanish lessons every Thursday. The children absolutely love her lively and enthusiastic

approach which makes learning Spanish fun and engaging for all. If you haven't done so already please go to School Money to make payment for the year. It actually only amounts to approx. 40p per week. Many thanks.

Primary 4 & 7 Sacraments

 First Communion for P4 pupils will be Saturday 14th May 2022 at 11am in St. Joseph's Church, Meigh. Hopefully by that stage we will be able to once again host our tea party back in the school.

Confirmation for P7 pupils will be Saturday 2nd April (Time TBC) in St. Joseph's Church, Meigh. It will be officiated by Bishop Michael Router and we are very much looking forward to welcoming him to our part of the parish.

All staff in our school received their bi-annual safeguarding training in August. We held our pastoral care assembly last week and all children were acquainted with procedures for seeking help with any concerns or worries they may have.

Maybe you could ask them/help them to remember who could be on their Helping Hand should they want to talk to somebody.

Back to School Prayer

Dear Lord

Please put a hand of protection this school year on all the children, teachers, staff and parents. Watch over them, protect them, love them. We thank You for all that you do.

Amen

A prayer that we say at every assembly is our prayer to our guardian angel. Maybe this could be said at home, especially with our younger children.

O Angel of God,
My guardian dear.
To whom God's love,
Entrusts me here.
Ever this day,
Be at my side.
To light to guard,
To rule and guide.

Amen

Coronavirus Advice

People are talking about Coronavirus because it is a new type of flu.

Just like with other colds and flu, it is important to look after ourselves and keep healthy

Children and adults are very good at fighting flu

Just like all colds and flus, it can be harder for older people or people with illnesses to stay healthy from the flu

I can stay healthy by:

Washing my hands in soap;

After preparing food

After sneezing or blowing your nose

Before eating

After using the bathroom

After playtime

I can keep others healthy by:

- ✓ Coughing and sneezing into my elbow
- ✓ Putting used tissues in the bin
- ✓ Staying at home if I feel sick

- Just like all colds and flu it will go away, we have to be patient and safe until it goes away.
- I do not need to worry as adults will look after me
- If I am unsure about anything I can talk to my parents and teachers.
