Society of St. Vincent de Paul

A Wiggly Nativity

We are so proud of our wonderful Primary 1 pupils who gave a fantastic performance of *The Wiggly Nativity*! Their enthusiasm, confidence, and festive spirit lit up the stage and brought smiles to everyone in the audience. From the joyful singing to the charming wiggly moves, each child played their part beautifully and reminded us all of the magic of Christmas. It was a truly heartwarming experience that showcased their talent and teamwork. A huge thank you to our dedicated staff and supportive families for helping make this special event possible. Well done, Primary 1—you were amazing!

Primary 6 Navan Fort Viking Educational Visit

Our Primary 6 pupils had a fantastic day exploring the world of the Vikings at the Navan Centre in Armagh. They learned how to write runes using a quill, examined fascinating Viking artefacts, and even tried their hand at sword, shield, and axe practice! It was an unforgettable experience bringing history to life.

P2 Outdoor Learning

Look at our outdoor learning experiences through Structured Play and Numeracy. P2 built forts using amazing resources from our outdoor learning shed and created addition sums using blocks and hoops. We also put out some roaring chalk fires using the water squirty bottles as hoses and raced up and down the ladders to be the first to put out the fire. Super learning

memories and friendship bonds strengthened as we worked as a team.

Advent

Advent marks the start of the Christian year. It is the four weeks before Christmas which began on Sunday 30th November. The word Advent comes from the Latin 'adventus' which means 'arrival' or 'coming'. This is the time for Christians to prepare for the celebration of the birth of Jesus and look forward to the time that Jesus will come again.

PRAYER FOR ADVENT

Jesus, we are waiting with joyful hearts to remember and celebrate the wonder of your birth.

You came into the world as a helpless baby, but already you were holding within your tiny, beating heart a beautiful hope for mankind: a sacred dream in which we live together in peace, love, and truth. Throughout this time of waiting, may we do our very best to turn your sacred dream for us into reality, so that at Christmas, we can offer you a present for your birthday, fashioned out of peace and perfect love, Amen

Guess Who's Coming to Visit

We are reliably informed from our fairy friends in our Fairy Garden who are related to the elves in the North Pole who work alongside a very 'special person' that all the boys and girls from St. Joseph's P.S., will get to meet this VIP guest when he visits our

wonderful school on Friday 12th December to deliver a small present to everyone. The fairies have also told us to have plenty of hot chocolate and marshmallows on offer and to arrange some Christmas movies and art and craft activities for the whole school to enjoy.

On top of all these requests, the school cooks have also received a separate **Elf-Mail** to prepare a special takeaway box style meal of chicken nuggets, cocktail sausages, skinny chips & ice cream for dessert.

So, if all pupils could wear their Christmas/festive jumpers, hats etc once again this would add so much colour to this Santa Fun Day.

Anti-Bullying Week 2025

As a main event during Anti-Bullying Week, our wonderful Primary 4 pupils led our whole school community of pupils, staff and parents by inspiring us all to show kindness at every turn. Kindness certainly is a super power that we promote on a daily basis through our excellent relationships at all levels within St. Joseph's. Have a look at their heartwarming performance and live their message of being kind for the power of good.

Punctuality

Please be reminded that all pupils must be in school and seated at their desks before 9.05am. While we understand that there may be the odd occasion when folks can run late, this should not be the norm. Let's make a conscious effort in the New Year to have every child in school on time. Thank you!
